

TEAM SPONSORS 2009-2010

We would like to thank the following individuals and businesses for providing funding to the Diamond Line for 2009-2010. Without your generosity, this year's dance program would not be possible. As we perform at halftime and compete in state-wide competitions, we will be ever mindful of your contributions and promise to proudly represent San Marcos High School, it's Student Body and the community. We salute your dedication to our community and the arts!
