

The SMHS PTSA
(Parent-Teacher-Student Association)
is starting off a NEW SCHOOL YEAR!!!

Join us to support
the Students and Teachers of SMHS!

PTSA Raises Funds to Increase Opportunities
for SMHS Students

- 1) We sponsor the "Reflections Arts and Literature Contest." Student art and creative writing can win cash prizes and may advance to Regional, State, and National Competition.
- 2) We raise funds so teachers in Science and Math can get grants for books, equipment, and other resources outside the school budget to enhance learning opportunities for our students.
- 3) Texas PTSA Leadership and Training Workshops provide Leadership training for students and Continuing Professional Education (CPE/CEU) Credits for Teachers.
- 4) PTSA Monthly Meetings, Website, and Newsletters help maintain effective communication between parents, teachers, and the school administration.

You can Support our Students and Teachers' by becoming a Member of PTSA (\$5) and also by donating to become a PTSA FRIEND and support our Grants and Award Programs.
